MEMORANDUM FOR: OER Historical Officer

SUBJECT : Publication Approval for OER History
Titled "The Development of Economic
Intelligence in the Office of Research
and Reports, 1950-1967, Volume I,
1950-1960"

1. The Historical Staff hereby approves for publication the OER history entitled "The Development of Economic Intelligence in the Office of Research and Reports, 1950-1967, Volume I, 1950-1960" by [REDACTED] This approval is conditional on certain additional changes, as indicated below.

25X1A

A. The original copy should be on uniform bond paper.

B. Four Attachments are indicated in the text, but are neither reflected in the Table of Contents nor included with the draft. These Attachments should be supplied and proper provisions should be made for their inclusion.

C. Pages should be numbered consecutively throughout the history. At present, the pattern is not to number the title pages of chapters, and to omit one or more additional numbers before resuming. The revised numbering will, of course, have to be reflected in the Table of Contents and in cross references, as appropriate.

D. There are a number of typographical errors. These are indicated in the Attachment.

2. OER should proceed to make the appropriate changes in this paper and to have the Figure reproduced (three copies) for publication. When this has been done, the Historical Staff will supply the title page for Mr. Ernst's signature, signifying his approval of the publication of this history.

3. After the above steps have been completed, the paper should be returned to the Historical Staff for reproduction, binding, and dissemination.
